About Us

Our organization's main field of activity for the last 15 years is organizing **outdoor experiential learning programs** for school children and youth, with special concern to youth with fewer opportunities.

We are a member of the world-renowned network Outward Bound International.

Besides outdoor education, we contribute to developing young people's competences through international **volunteering and mobility projects** for youth within Erasmus+ and European Solidarity Corps programs.

We give special attention to **social and environmental responsibility** and the impact of one's actions on the group and society as a whole.

PARTICIPANT'S PROFILE

- 24 youngsters (4 from each country)
- Age: 18 - 30
